Lockers and Other Storage Areas Provided for Student Use

- A. All lockers and other storage areas provided for student use remain the property of the District. These lockers and storage areas are subject to inspection, access for maintenance, and search pursuant to these guidelines. A student using the locker or storage area has, by statute, no expectation of privacy in that locker or storage area or the contents contained therein (See [Form 5771 F1](#)). In the course of any search, student's privacy rights will be respected regarding any items that are not illegal or against Board policy. No student shall lock or otherwise impede access to any locker or storage area except with a lock provided by or approved by the principal. Unapproved locks will be removed and destroyed.
- B. The principal may search student lockers and storage areas and the contents contained therein at any time for any justifiable reason.
- C. The principal may, at any time, request assistance of the Sheriff's Department having jurisdiction over the facilities of the District. The law enforcement officer must have probable cause, however, to conduct a search of the lockers and storage areas and the contents contained therein.
